GOVERNORS JOIN PARKER IN KLAN WAR

Kansas, Connecticut, Georgia and Oregon Executives Flay Klux Rule.

Governor Parker, of Louisiana, has asked co-operation of other governors in his fight on the Ku Klux Klan. A number of other State executives are ready to join him in his fight, as is shown by the following statements:

By GOV. HENRY J. ALLEN OF KANSAS.

(Written for Cosmopolitan News Service.)
TOPEKA, Kan., Nov. 23.—The attorney general of Kansas is filing with the supreme court a petition asking that the Ku Klux Klan be denied the right to do business because it is not chartered in this State.

Although this organization boasts of its loyalty to law, it has deliberately refused to appear at the secretary of state's office, as required by Kansas statutes, and file articles of incorporation.

A number of minor offenses and some of a more serious character are being committed in the name of the Klan, and when we seek to find the responsible members of the Klan, we are unable to do so.

The quietest Klan in the country is being asked because either Klansmen or men masquerading as Klansmen are assuming the right in this State to put on masks and take the law into their own hands.

By GOVERNOR LAKE OF CONNECTICUT.

HARTFORD, Conn., Nov. 23.—The organization of the Ku Klux Klan is known in Connecticut to the State police department, both its personnel and its methods of securing memberships.

I feel that this department has knowledge equal to that possessed by any of possible criminal classes now at liberty within the State, and is fully capable of acting and protecting the interests of the State and its citizens if the Klan should proceed with any action contrary to law.

By GOVERNOR HARDWICK OF GEORGIA.

ATLANTA, Ga., Nov. 23.—There is no room for invisible government in Georgia. So long as I am governor I shall fight it in every way.

While the Ku Klux Klan seems to be extremely powerful in Georgia at the present moment, a reaction from the present situation is certain.

It is my purpose to recommend to the forthcoming session of the legislature the passage of laws requiring the name of every officer and member of every secret order in Georgia to be filed with the clerk of the superior court in each county where he orders has one or more local units, and that the public wearing of masks anywhere in this State shall be made a felony.

By GOVERNOR OLCOTT OF OREGON.

PORTLAND, Ore., Nov. 23.—The Ku Klux Klan has been and is an active menace in Oregon. The power of this office has been directed against it in every legal manner.

By proclamation some time since, I declared it a menace. Illegal acts and outrages have been traced to its baleful influence.

No possible stone will be left unturned by me as long as I am governor to put forces of law and order against these masked forces of darkness and secrecy.

I believe no greater menace confronts the United States today than this monster of invisible government. It should be curbed.

Robinson. With the exception of \$1,000 worth of personal property, all the estate consists of real property.

"NOT VERY WELL TODAY"
How often do you hear this plaint from people who look the picture of health? Yet this vague feeling may be a message of real danger. Don't neglect it.

In most cases it is noticed that the kidneys are not eliminating the poisons from the

Unluckiest Man Is Arrested For Cruelty

By Universal Service.
GREENWICH, Conn., Nov. 23.—No luck at all—he had no luck at all.

Card sharpers won his pigs. His best chickens died of the pip.

He put up his best horses against "magical dice" and lost. He lost his wife, but wouldn't tell how.

And today, when he was driving his only horse, which was limping, he was arrested, on the complaint of Mrs. Ida McClusky, for cruelty to animals.

"I'm so unlucky I won't even tell my name," he said.

MILLIONAIRE IS NOW CONVICT NO. 8385

William Bross Lloyd Begins Five-Year Term for Espionage Violation.

International News Service.

CHICAGO, Nov. 23.—William Bross Lloyd became convict 8,385 yesterday—his first day in Joliet prison.

The individuality, Chicago's "Reddest of the Red," fought in court to retain was stripped from him by penitentiary routine that bathed, shaved, tagged and dressed the communist in a blue-denim prison suit.

The millionaire is a filling card now, No. 8385, a mechanical filling card that gets up, eats, drinks, smokes, labors and drops back into its cell to the dull tick-tock of penitentiary routine.

Lloyd had his first prison meal this morning, after he had quick-stepped with hundreds of other convicts to the main dining hall.

He consumed the bacon and beans served to him on a dental tin plate and tried to repeat with the ebony-colored coffee in the mug at his arm, but couldn't quite make it and left the coffee.

Lloyd must serve from one to five years for violating the Illinois espionage act.

Fights Navy Dismissals.

Allison Baxter, commander of the Nelson Miles Post, Spanish War Veterans, will enter a protest to Secretary of the Navy Denby against the dismissal of members of the organization from employment at the Washington navy yard. Two members of the post are to be dismissed from the service December 1, according to an announcement made by the Government.
